

Smart Home Alarm Kits

Yale Smart Home Alarm Kits give you control of your alarm system from your Smartphone. These kits can be extended to include additional accessories including a Power Switch to turn home appliances on and off remotely (i.e. a lamp or radio), a PIR Image Camera to view images of inside your home, and you can even add a Yale Smart Lock to your front door controlling them all from your Yale Smart Home Alarm App.

868Mhz Technology.

Yale uses a frequency that is tightly controlled, meaning a clearer channel with less interference.

Secure Rolling Code Transmission.

Our Smart Home alarms are secure. The rolling code will prevent replay attacks.

Pre-Linked.

Yale Smart Home Alarms come with components already linked to the Smart Hub. This makes installing your alarm quick and easy.

Part Arming.

Set the alarm and secure downstairs while you move freely upstairs.

Easy to Fit.

There is no need to damage your décor, lift carpets or run cables. All components are self-contained and no wired units.

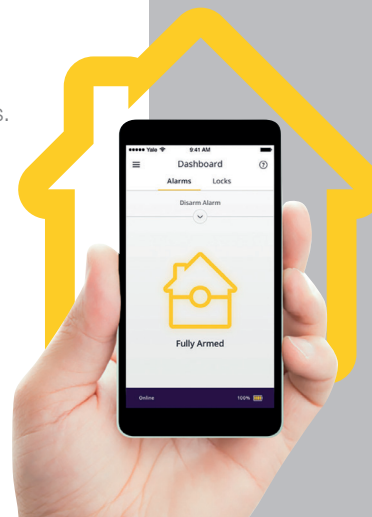

Expandable.

Add up to 40 accessories to tailor the system to your home – up to 6 can be PIR camera/PIR video camera (SR3200/SR3800/2100).
Add up to 20 accessories for the SR1100/1200.

Specification

- See reverse for the specifications on the different kits

iOS 9 +

Android 4.4 +

Due to continuous programme of development, the Yale App user interface for this product may differ in appearance.

The smarter way to protect your home.
