

Narrow Stile Cylinder Night Latch 1037/L1037

Application:

- For timber doors from 35 to 60mm thick, hinged on the left or right and opening inwards only
- Suitable for glass panelled doors
- Not recommended for single door entry residencies
- Concealed fixing
- Also suitable for steel and composite doors - special fixings required

Operation:

- The bolt is withdrawn by key outside and handle inside
- The bolt may be held in the locked or in the withdrawn position by operating the snib
- When the door is closed the bolt is automatically locked against end pressure by the anti-thrust slide
- Turning key a full revolution anti-clockwise deadlocks handle

Specification:

Reference	1037, L1037 (Lock case only)
Backset	40mm
Case & Keep	Zinc
